On behalf of National Grid, the following summarizes response actions to be performed at the above-referenced site during the timeframe from September 2 to 6, 2013.

### SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk.

A summary of the recently collected soil gas data was posted on the Tidewater website ([www.tidewatersite.com](http://www.tidewatersite.com)) and provided to RIDEM on August 28, 2013. A complete report describing the soil gas sampling and analyses is currently being prepared and will be submitted to RIDEM in mid- to late September 2013.

Please contact me at 401-421-4140 Ext. 2719 if you have any questions or comments.
