SITE ACTIVITIES TO BE PERFORMED

- No activities are planned for the week of February 17 to 21, 2014.
- Complete bimonthly Site observation walk during week of February 24 to 28, 2014.
- Complete a bid walk on February 25, 2014 with drilling subcontractors for the upcoming limited soil and groundwater investigation. A Supplementation Site Investigation Work Plan (SSIWP) describing the proposed investigations was submitted to the Rhode Island Department of Environmental Management (RIDEM) Office of Waste Management in February 2014. A copy of the SSIWP can be found on National Grid's Tidewater website (www.tidewatersite.com).

National Grid is holding a public meeting to present the results of the soil gas testing completed by National Grid at the Tidewater Site. The meeting is scheduled for March 6, 2014 from 6:30 to 7:30 PM at the Francis J. Varieur Elementary School. A public notification was sent out to the Tidewater mailing list on February 11, 2014.
