Re: Notification to Start work: South Washout Area
Former Tidewater Facility
Pawtucket, Rhode Island
RIDEM Case No. 95-022 / Site Remediation File No. SR-26-0934A

On behalf of the Narragansett Electric Company d/b/a National Grid (National Grid), GZA GeoEnvironmental, Inc. (GZA) has prepared this memorandum to notify the Rhode Island Department of Environmental Management (RIDEM) that the proposed stormwater system repair and south washout restoration project will start on Monday July 18th, 2016. This notification is a requirement of RIDEM's Short Term Response Action Approval, dated April 19, 2016. The project is expected to take approximately 5 weeks to complete.

Please contact Todd Greene at 401-421-4140 Ext. 2714 if you have any questions or comments.
