Date: December 28, 2018

Re: Notification to Start Work – Liquefaction STRAP Project
Site Remediation File No. SR-28-1152
Providence Liquefaction Facility
642 Allens Avenue / 121 Terminal Road
Providence, Rhode Island

On behalf of the National Grid LNG, LLC, GZA GeoEnvironmental, Inc. has prepared this memorandum to notify the Rhode Island Department of Environmental Management Office of Waste Management that construction activities related to the liquefaction facility will start on Monday January 7, 2019. This notification is a requirement of RIDEM's Short Term Response Action Approval Letter, dated October 27, 2017. The project is expected to take approximately two (2) years to complete.

If you have any questions during construction activities, please contact the following individuals:

NGLNG, LLC – Owner Amy Willoughby, Program Manager 280 Melrose Street Providence, RI 02907 781-907-3644 amy.willoughby@nationalgrid.com
Kiewit Energy Group, Inc. – Contractor Nick Douce, Project Manager 3831 Technology Forest Boulevard The Woodlands, TX 77381 361-385-0050 Nick.Douce@kiewit.com
GZA GeoEnvironmental – Consultant Sophia Narkiewicz, P.E., Project Manager 188 Valley Street, Suite 300 Providence, RI 02909 401-421-4140 sophia.narkiewicz@gza.com

Please contact Amy Willoughby at 781-907-3644 if you have any questions or comments.
