

# 4C

tain Limited Design Investigations (LDIs) will be performed to supplement existing data and facilitate preparation of the Remedial Action Work Plan (RAWP). LDI work is anticipated for late summer and fall 2017.

The map displays the Pawtucket No. 1 Station area, including the existing station building and substation. Key features include the Seekonk River to the north, the Former Gas Plant Area to the west, and the Former Power Plant Area to the north. The map shows numerous monitoring points (GZ, TP, SS, BW, BK, CS, MW, TB, VHB, SC) and various easements (City of Pawtucket Drainage Easement, Narragansett Bay Commission Easement). Streets shown include Thornton Street, Bowles Court, Merry Street, and Tidewater Street. A north arrow and a scale bar (0 to 180 feet) are located in the bottom right corner.
