NOTICE

The Department of Environmental Management (DEM) is introducing a new online system for applications and forms administered by the Division of Agriculture and Forest Environment, including agricultural product registrations, commercial pesticide applicators, animal health permits and licenses, and forestry applications.

As a result, we are temporarily pausing the acceptance of most applications until the system launches in mid-October.

For more information, please contact us at 401-222-2781 (M-F 8:30 AM-4:00 PM EST).
