

RI SFMNP - 2022 Senior Produce Box Signup Locations

Eligible participants can now go to the locations below to sign up for the NEW produce box delivery program of the Senior Farmers' Market Nutrition Program (SFMNP). Those who sign up at the following locations will be notified of a date to return to that location to receive a free food box filled with 5-7 items of fresh, local, produce valued at \$25. Produce within the boxes will be provided by local farmers and delivered by Farm Fresh Rhode Island (FFRI) to these locations.

If you do not see a local location to sign up, the list will be continually updated with new locations until December 2022. Each location and participant are able to have up to two separate deliveries for the year. For additional senior locations to be considered for receiving a produce box delivery in the 2022 bulk purchase program, please email: DEM.SFMNP@dem.ri.gov.
