**From:** Michele V. Leone, Manager, New England Site Investigation & Remediation  
**Date:** 04/15/2011  
**Subject:** Upcoming Site Response Action Report – Week of April 18, 2011  
Former Tidewater Facility  
Pawtucket, Rhode Island  
RIDEM Case No. 95-022

---

As requested by RIDEM, the following summarizes response actions expected to be performed at the above-referenced site during the week of April 18, 2011.

### SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk; and
- Continue to observe gas operations test digging to confirm underground natural gas pipe locations near/in the natural gas regulator station (this work was not performed last week as previously anticipated).

In addition, TFord will be on-site the week of May 2<sup>nd</sup> to perform restoration activities (re-grading and seeding) in the area capped with clean soil following the holder demolition activities.
