Providence, R.I. 02908-5767

26 November 1990

Mr. Thomas Dellenbach
Pace, Inc.
1710 Douglas Drive North
Minneapolis, MN 55422

Dear Mr. Dellenbach:

Enclosed is a copy of the Preliminary Assessment of Boliden Metech, Inc. This report is the first step in a screening/prioritization process set forth by EPA Superfund legislation. Additional information concerning this site may be obtained from records on file at this office. Be advised that you must make an appointment in advance to review files.

Very truly yours,

Alicia M. Good, Supervising Engineer
Division of Air and Hazardous Materials
