Failure to Comply with the Environmental Land Usage Restriction (3/19/2003)
434 Allens Avenue
Plat 47, Lot 601

Case No. 1999-060

Dear Ms. Bradley:

The referenced Notice has been forwarded to me for a reply on behalf of Mapleville Main, Inc.

Please be advised that the Allens Avenue property in question was sold to Mr. Antonio Ramos, with a closing on or about July 1, 2005. It is my understanding that the purchaser is aware of the ELUR and I am sure some miscommunication on the annual inspection has occurred. In any case I am sending a copy of this letter to the purchaser's attorney, Mr. Joseph Raheb, for his further action.

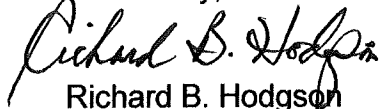

For the record, please also be aware that Mapleville Main, Inc. had filed with your office Annual Inspection Reports under the 2003 ELUR, via Lakeshore Environmental, Inc., Mr. David Hazebrouck, respectively, on April 30, 2004 and

Ms. Margaret Bradley, Environmental Scientist, August 22, 2006, page two

June 6, 2005. It was my understanding that the 2005 report had been delayed awaiting data on possible ATV damage at the site. In any case, the reports were sent to your office and Mapleville Main, Inc. had no follow-up with any further questions or the need for further information under the ELUR up to the time of closing with Mr. Ramos.

Please contact the undersigned if you have any questions on this response.

Yours truly,
