RIDEM Case No. 1999-060

On February 5, 2003, the Rhode Island Department of Environmental Management (the Department) received a recorded Environmental Land Usage Restriction (the ELUR) from Mapleville Main, Inc. for the above-referenced property (the Site) pursuant to the Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations). In accordance with the ELUR, Annual Compliance Inspection Reports were required to be submitted for the above-referenced property. The last Annual Compliance Inspection Report was received by the Department on September 7, 2006, the next report was due on September 7, 2007.

An inspection by Department personnel on September 7, 2007 indicated that the engineered controls at the Site are in good condition.

This letter is a reminder that the submission of the Annual Inspection Report is overdue. Please respond to this letter within 15 days business days, **October 24, 2007**.

Should you have any questions regarding this letter please contact me by telephone at (401) 222-2797 extension 7284 or by e-mail at ann.Battersby@dem.ri.gov.

Sincerely,
