	<i>Facility ID #</i>	<i>Date Received</i>
	<i>Amount Paid:</i> _____ <i>Check No.:</i> _____ <i>Application No.</i> _____	

Groundwater Discharge System Approval
 Name on Approval _____ Facility ID/File# _____

Groundwater Discharge System Registration
 Name on Registration _____ Facility ID/File# _____

REASON FOR MODIFICATION OF GROUNDWATER DISCHARGE SYSTEM (explain below or on separate sheet; attach revised stamped plans as necessary):

- Change to type or quality of discharge _____
- Change to quantity of discharge _____
- Change to piping or associated devices _____
- Change to location of the groundwater discharge system _____

REASON FOR MINOR MODIFICATION OF GROUNDWATER DISCHARGE SYSTEM:

- Correct significant or meaningful typographical errors _____
- Decrease the frequency of compliance monitoring and reporting of a groundwater discharge or groundwater quality. The Director may modify a Groundwater Discharge System only if it is determined that the discharge has not changed, the historic facility monitoring data demonstrates such consistency and the continued level of monitoring will not provide additional relevant information _____
- Change requirements related to construction and installation of a groundwater discharge system if the change complies with the requirements of these rules _____

Anticipated date of modification to discharge system: _____

By signing this form, I certify under penalty of law that I have personally examined and am familiar with the information submitted in this document and all attachments and based on my inquiry of those individuals immediately responsible for obtaining the information, I believe the information is true, accurate and complete.

(Owner Signature) _____ (Date) _____
