Re: **Notification to Abutters
Pre-Site Investigation Notice
Pilgrim High School
111 Pilgrim Parkway
Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat 300/Lot 268**

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

For more information regarding this notice or the investigation, or to make arrangements to review Department records pertaining to this property location, contact the RIDEM Project Manager:

Pre-Site Investigation Notice
Pilgrim High School
111 Pilgrim Parkway
Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat Map 300/Lot 268**

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

Pilgrim High School
111 Pilgrim Parkway
Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat Map 300/Lot 268

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

For more information regarding this notice or the investigation, or to make arrangements to review Department records pertaining to this property location, contact the RIDEM Project Manager:

Re: **Notification to Abutters
Pre-Site Investigation Notice
Pilgrim High School
111 Pilgrim Parkway
Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat Map 300/Lot 268**

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

For more information regarding this notice or the investigation, or to make arrangements to review Department records pertaining to this property location, contact the RIDEM Project Manager:

Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat Map 300/Lot 268

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

Re: **Notification to Abutters
Pre-Site Investigation Notice
Pilgrim High School
111 Pilgrim Parkway
Warwick, Rhode Island
Plat Map 299/Lot 194 and Plat Map 300/Lot 268**

To Whom It May Concern:

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), the Warwick Public Schools is providing notice to abutters of their intent to conduct a Site Investigation at 111 Pilgrim Parkway in Warwick, Rhode Island. The investigation will involve sampling of environmental media (specifically soil and groundwater) by Tighe & Bond personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in April 2024 and is expected to take approximately three to four weeks. The results of the investigation should be available by May/June 2024.

For more information regarding this notice or the investigation, or to make arrangements to review Department records pertaining to this property location, contact the RIDEM Project Manager:

PUBLIC NOTICE

Warwick Public Schools is hereby providing Notice of Public Meeting per RIGL Chapter 23-19.14 (The Industrial Property Remediation and Reuse Act) and, more specifically, Section 23-19.14-4 (Objectives of Environmental Clean-Up) and Section 23-19.14-5 (Environmental Equity and Public Participation).

The purpose of this meeting is to discuss environmental investigations associated with the construction and building of a new high school on the existing Pilgrim High School Property located at 111 Pilgrim Parkway, Warwick, Rhode Island.

The record for the public meeting shall be open for thirty (30) calendar days after publication of this notice and, therefore, will close at 6:00 PM on May 23, 2025. Public comments regarding the environmental investigation for the proposed project must be submitted in writing to: Ms. Reilly Cusick, RI Department of Environmental Management, Office of Land Revitalization and Sustainable Materials Management, 235 Promenade Street, Providence, RI 02908 or by email to reilly.cusick@dem.ri.gov. For more information regarding this notice, please contact Reilly Cusick by telephone at (401) 537-4343.

The Public Meeting will be held at 6:00 PM on Thursday, May 8, 2025, at the Pilgrim High School Auditorium at 111 Pilgrim Parkway, Warwick, Rhode Island.
