14. Next is the Project Information Screen

Project Information

Project Name
oer

*Project type: Deck *Project Size: 4000 *Units: Acre

*Within which river buffer zone region is the site located?
 Urban Region Region 1 Region 2

Is the project located within a drinking water supply reservoir watershed (DWSRW)?
 Yes No

Is the project located within a natural heritage area?
 Yes No

Have any wetland types or rare species been documented?
 Yes No

Does the project propose any of the following? Clicking any of the three radio buttons should merely prompt additional stormwater-related questions or identify the application as one needing an engineering review. There is no longer any need for a separate Application for Stormwater Construction permit review submitted through the permit program.

New or increased impervious cover for property other than a single-family home?
 No No

Distance of more than 10,000 sq. ft. of existing impervious cover?
 No No

Proposes any fill of floodplains, any work within floodway, or involves any hydraulic alterations to watercourse via bridge, culvert or diversion?
 Yes No

Does this project require a variance from the Freshwater Wetlands Standards?
 Yes No

Have you participated in a pre-application meeting with HEDM on this project?
 Yes No

Is municipal master plan approval required for this property? If yes, submit a copy of the approval.
 Yes No
