## Application for Stormwater Construction Permit and Water Quality Certification

Use this form to request a Stormwater Construction Permit (RIPDES CGP or GWD/UIC) or Water Quality Certification (WQC). If a Freshwater Wetlands (FWW) Application is required, this form must be submitted in addition to the FWW Application form. If a WQC is requested as part of a Federal Permit which is not covered under a General Permit and therefore requires State certification, this form must be submitted in addition to the Supplemental Water Quality Certification Request Form.

**Please fill out this form electronically, print the completed form, and submit with all required documentation/fee to:**  
 Permit Application Center (PAC) RIDEM  
 235 Promenade Street, Room 260  
 Providence, RI 02908-5767

- Check or money order must be made payable to the Rhode Island General Treasurer
- Stormwater Construction Permit Fee will be waived for applications submitted concurrently with a Freshwater Wetlands Application.

<b>Professional</b>	Organization/Company Name: DiPrete Engineering		Professional's License Type(s) and Number(s): PE (Civil) 8662			
	Professional's Name: Eric Prive	Professional's Email: eprive@diprete-eng.com		Phone: (401) 943-1000		
	I certify under penalty of law that the project described in this application and associated materials is in compliance with the RI Stormwater Design and Installation Standards Manual (as amended) and the Rhode Island Soil Erosion and Sediment Control Handbook (as amended) [if required] and I believe all information presented in this application and the accompanying materials are true, accurate and complete. All engineering designs, plans and specifications [if required] included in this application were done by me or by someone working directly for me. The Natural Heritage Area Information [if required] and the site specific Soil Erosion and Sediment Control Plan [if required] were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering or developing the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete at the time this application is made. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
