**Subject: Mashapaug Cove Groundwater Investigation
Former Gorham Manufacturing Facility
333 Adelaide Avenue, Providence, Rhode Island
RIDEM Case No. 97-030
MACTEC Project No. 3650-05-0041.22**

Dear NAME:

Additional environmental investigations will be conducted on behalf of Textron, Inc., between December 15 and December 23, 2008, at the former Gorham Manufacturing property. These investigations are being done as part of ongoing cleanup work at the Inner Cove of Mashapaug Pond. The work will consist of installing monitoring wells and collecting groundwater samples for onsite and offsite laboratory analytical testing. These results will be provided to Rhode Island Department of Environmental Management (RIDEM) and all interested stakeholders in a supplemental site investigative report.

The proposed work will be performed consistent with Textron's ongoing commitment to clean up the site and consistent with RIDEM regulations. More information regarding these activities is available on the RIDEM project website: www.dem.ri.gov/programs/benviron/waste/gorham.htm.

**Asunto: Investigación Aguas Subterráneas de Mashapaug Cove
Antiguo Emplazamiento de Gorham Manufacturing
333 Adelaide Avenue, Providence, Rhode Island
RIDEM Case No. 97-030
MACTEC Project No. 3650-05-0041.22**

Estimado (a) NAME:

Por la presente se le informa que del 15 al 23 de diciembre, 2008 se realizarán investigaciones ambientales adicionales para Textron, Inc., en la antigua propiedad de Gorham Manufacturing. Las investigaciones forman parte del trabajo de saneamiento en curso en la ensenada interior de Mashapaug Pond y esta etapa consistirá de la instalación de pozos de monitoreo y la toma de muestras de aguas subterráneas para pruebas analíticas tanto en sitio como en los laboratorios. Los resultados se compartirán con el Departamento de Gestión Ambiental de Rhode Island (RIDEM, por sus siglas en inglés) y con todas las partes interesadas en el informe de la investigación suplementaria del emplazamiento.

El trabajo propuesto se realizará acorde con el compromiso firme y continuado de Textron de limpiar el emplazamiento y las regulaciones de RIDEM. Hay más información disponible con respecto a estas actividades en el sitio Web del proyecto RIDEM: www.dem.ri.gov/programs/benviron/waste/gorham.htm.
