

Notification to Abutters
Future Residential Development
32 & 33 Exchange Street, East Greenwich, Rhode Island

October 4, 2019

In accordance with the Rhode Island Department of Environmental Management's (RIDEM's) Rules and Regulations for the Investigation and Remediation of Hazardous Material Releases (the Remediation Regulations), and the Industrial Property Remediation and Reuse Act (Rhode Island General Law 23-19.14, Section 11) Grenier Properties, LLC is providing notice to abutters of their intent to conduct a Site Investigation at 32 & 33 Exchange Street, East Greenwich, Rhode Island. The property is further designated as Plat 85/1 Lots 87 and 382 of the Town of East Greenwich Tax Assessor's plat maps. The goal of this investigation is to determine if a release of hazardous materials has occurred on the property. The investigation will involve the sampling of environmental media (specifically soil and groundwater) by Redwood Environmental Group personnel. RIDEM has determined that conducting this investigation is in the public interest.

The investigation is scheduled to be conducted in October 2019 and is expected to take two (2) days to complete. The results of the investigation should be available by at the end of October at which time you will be provided with a notice of findings.

For more information regarding this notice or this investigation, or to make arrangements to review Department records pertaining to this property location, contact Joseph Martella, Sr. Sanitary Engineer at (401) 222-2797, extension 7109.
