

RI Registered Manufacturers of Covered Electronic Devices for Retailers

The following list of Covered Electronic Device Manufacturers are registered with the Department of Environmental Management, The Department, according to Statute CHAPTER 23-24.10 Electronic Waste Prevention, Reuse and Recycling Act for Calendar Year 2021. As such they are permitted to sell Covered Electronic Devices (CEDs) in the State of RI.

CED's are defined as: **Computer** often referred to as a "personal computer" or "PC," means a desktop or notebook computer.

A **notebook computer** is sometimes referred to as a laptop and/or tablet computer.

Televisions including CRT-based and non-CRT-based televisions, plasma, and LCD, or any similar video-display device with a screen greater than nine (9) inches diagonally and that contains a circuit board.

Note: If a manufacturer wants a determination whether a product is a CED, and belongs in RI's program, or does not, please email Alyson.brunelli@dem.ri.gov

Note: Only manufacturers of CEDs require registration. All other electronics manufacturers can sell without registering with the Department.

Table 1: Registered Manufacturers for 2021

Revised 2/15/2021

Acer America Corporation	
Brand	Product Type
Acer	Computer Monitor
Acer	Desktop Computer
