On behalf of National Grid, the following summarizes response actions to be performed at the above-referenced site during the timeframe from August 26 to 30, 2013.

SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk.

A report describing the recent soil gas sampling and analyses is currently being prepared and will be submitted to RIDEM in mid September 2013. In advance of this report, National Grid will provide RIDEM a summary of the soil gas data. We currently anticipate this data summary will be submitted to RIDEM by August 29, 2013.

Please contact me at 401-421-4140 Ext. 2719 if you have any questions or comments.
