Re: Site Response Action Status Report – May 1st to May 31st, 2016
Former Tidewater Facility
Pawtucket, Rhode Island
RIDEM Case No. 95-022 / Site Remediation File No. SR-26-0934

The following summarizes response actions completed at the above-referenced site for the period May 1st, 2016 through May 31st, 2016, as well as planned activities.

SITE ACTIVITIES PERFORMED

- Performed Site visits to document security conditions and sheen observations, if present.
- Prepared and distributed to the Tidewater Site mailing list a public notification letter pertaining to the May 24, 2016 public meeting for the upcoming stormwater system repair and restoration of the South Washout Area. The public notification was sent out to the Tidewater Site mailing list on May 5, 2016 and is available on National Grid's Tidewater website (www.tidewatersite.com).
- Hosted a public meeting to present the stormwater system repair and South Washout Area restoration project. The meeting was held on May 24, 2016 at 6 PM at the Francis J. Varieur Elementary School.

FUTURE RESPONSE ACTION WORK/SCHEDULE

- As discussed during the May 24, 2016 public meeting, we currently anticipate the stormwater system repair and restoration of the South Washout Area will commence in early July 2016 and take approximately 3 to 4 weeks to complete.
- A summary of the May 24, 2016 public meeting will be prepared and submitted to RIDEM. This meeting summary will include a copy of the sign-in sheet. This public meeting summary will also be posted on the Tidewater website (www.tidewatersite.com).
- Continue quarterly Non-Aqueous Phase Liquids (NAPL) monitoring and recovery. The next event is scheduled for July 2016.
- Continue Site visits to document security conditions and sheen observations.

Please call me if you have any questions at 401-421-4140 Ext. 2719 or Michele Leone at 401-784-7337.
