

Rhode Island Cesspool Act of 2007: List of System Inspectors

The following list includes individuals who are qualified as System Inspectors for the purpose of inspecting cesspools under the Rhode Island Cesspool Act of 2007. System Inspectors are listed alphabetically and are either Registered Septic System Inspectors, hold a DEM Class I, II, or III Designer's License, or both. As such names may appear more than once. Licensed Designers are denoted by the letter "D" in the Registration/License column. This list has been approved by DEM and was updated on 5/14/12.

Note that not all individuals on this list will choose to offer cesspool inspection services.
