FIREARMS MARKSMANSHIP TRAINING

AT THE GREAT SWAMP SHOOTING RANGE | 277 GREAT NECK RD., WEST KINGSTON, RI 02892

This *free* training is open to all but is designed to help the novice shooter in an appropriate, safe shooting venue reach a level of competence necessary to continue to practice on their own prior to hunting seasons.

Participant must provide a properly functioning and unloaded firearm in a case, appropriate factory ammunition, paper targets (or clay targets for shotgun), and eye and ear protection. The range permit requirement will be waived for up to 3 sessions.
