## **RI 2022 Summer Flounder Winter Aggregate Landing Program Application Form and Instructions**

This application is to obtain a permit to land up to 2,000 pounds of Summer Flounder per vessel bi weekly period pursuant to section 3.12.2 of [RI Marine Fisheries regulations \(RIMFR\), Part 3 - Finfish](#). Cumulative landings must occur within the weekly periods specified below.

Issuance of the permit may take several days upon receipt of a completed application. **It is the responsibility of the applicant to assure the timely and accurate submittal of the application to avoid delays in receiving their permit. ALL fishing and/or landing licenses of applicants must be renewed for 2022 before application.**

The 2022 Winter sub-period begins on January 2, 2022 and ends on April 30, 2022, or when 90% of the Winter sub-period quota has been harvested as determined by the Division of Marine Fisheries.

The starting possession limit is 2,000 pounds/bi-vessel/week. Possession limits are subject to change throughout the sub-period.

**It is the responsibility of the permittee to follow all regulations to maintain compliance with their permit.** Non-compliance with the provisions of the regulations or permit conditions shall subject both the owner and/or operator to revocation of the permit.

Application forms are available on-line at the DEM Marine Fisheries website [on-line](#), or at: the Marine Fisheries office in Jamestown, RI, or at the DEM Coastal Resources office in Narragansett, RI (Galilee). Submit the completed application to:
