Taxation Certification Requirements

A new state law, enacted in 2004, requires everyone applying for any license from the state to first certify that they have filed all required state tax returns and paid all taxes due to the State, or entered into a written installment agreement with the Tax Administrator to pay delinquent state taxes. Accordingly, all applicants for new or renewed commercial fishing licenses must first complete one of the following two requirements:

- a) Sign a Taxation Certification, certifying compliance with all state tax obligations as noted above; the form must also include the applicant's social security number or FEIN, or
- b) Furnish a Letter of Good Standing from the Tax Administrator. (401)574-8756.

The Taxation Certification form is available from DEM; it may be completed at the counter while applying for a license or may be filled out online and submitted as part of the online renewal process. Letters of Good Standing must be obtained from the RI Division of Taxation, Collections Division, One Capitol Hill, Providence, RI 02908 (401) 574-8756. **DEM will not issue any new or renewed license until the applicant has submitted a properly completed Taxpayer Affidavit or a Letter of Good Standing.**

Any questions regarding the new tax law should be directed to the RI Division of Taxation at 401-574-8941.

RI Shellfish Harvester Education & Certification Program

January 2023

DEM launched an education and certification program in 2018 that is mandatory for everyone who commercially harvests and lands shellfish in RI. The goal of the program is to ensure that shellfish harvesters deliver a safe product to shellfish dealers and, in turn, to shellfish consumers. **This course must be completed prior to the issuance of a new license/endorsement.**

In accordance with US FDA requirements, and new regulations adopted by DEM in 2018, holders of all applicable commercial licenses and landing permits must obtain certification via the new program. Applicants must submit Certificate of Completion prior to license issuance (new applicants only).

The certification requirement applies to:

- All holders of commercial shellfish licenses -- i.e., Standard Fishing Licenses with Unlimited Shellfish endorsement; Over 65 Shellfish Licenses, and Student Shellfish Licenses;
- All holders of Multipurpose Licenses who harvest shellfish; and
- All holders of Landing Permits who land shellfish.

The certification requirement applies to both License/Permit renewals and new Licenses/Permits, beginning in 2018. All certificates are valid for 5 years, after which re-certification will be required.

To obtain certification:

Complete a 30-minute online tutorial, which is available here:

<https://www.ri.gov/dem/training/shellfish/>

To learn more about the program, including detailed information on all regulatory requirements and exceptions pertaining to the program, visit www.dem.ri.gov/harvester.
